# How To Register for the Summer Camp Weeks (Deposits)

1. Visit mycrc.gatech.edu and log in with your GT credentials. Once logged in, you will see your name in the top right hand corner of the webpage. You should have already added your 'Dependents' (child/children) by now. Once logged in, click 'Programs'.

2. After you click 'Programs', you will see the 'Category' section on the left side panel of the webpage. Scroll down and click 'Summer Camp'. Once you have done that, you'll see all of the weeks of camp labeled 'Tech Wreck Summer Camp Week 1 (5/30-6/2) Deposit', etc. showing $25 price. When you click into the week you want to register your child for, you will see the below screen.

3. When you click 'Register', a window will pop up asking who you want to register and it will have yourself and your 'Dependents' listed. In the example photo below, Wiley is the 8-year old family dog, so according to birthday he's eligible. Please note this software can only go by birthday, but we go by Fall 2017 grade as we only accept Rising 1st graders-rising 8th graders in which we will follow up with after registration.

4. Once you click register, the next screen will be your Shopping Cart where it will show the below. If you wish to register another child and/or for another week, you will need to click 'Continue Shopping' and go back to step one above for each child for each week.

5. Once your cart is complete with the weeks you want for your child/children, click 'Checkout' and the following window will pop up, where you will click 'Checkout' again. **** Please note once an item has been added to your cart, you have twenty (20) minutes to pay for this item or it will automatically be removed from your cart and go back into availability to someone else.**

6. Once you click 'Checkout' in the last step, it will kick you to a page (pictured below) to enter credit card information.
