

Alaska Flight Information Schedule

We look forward to an exciting trip!

Below is the time window we need you to be at the Anchorage Alaska airport (ANC) so that we can pick you up.

After you have your flight booked, we will collect your information so we can better arrange pick-up logistics.

ARRIVALS

The **ideal** flight arrival times are:

Tuesday July 9 between 10am to 6pm

Please try to arrive during these times!

We will begin the opening ceremony and official programming begins at 7pm.

We will pick you up from baggage claim when your flight lands and help carry your bags to our van.

Our 1st night camping area and Opening Ceremony location is about a 1.5 hour drive from the airport.

We understand that flights arriving at the above times may not be possible or make the most sense economically. Thus, it is OK to arrive a little early that day.

You may also wish to just arrive on Monday (July 8) and spend the night at a hotel *at your expense*. You can get a free airport shuttle to a nearby hotel.

We will pick you up at the hotel the next day (Tuesday morning) around 11 am (or whenever your check out time is).

DEPARTURES

The **ideal** flight departure times are:

Friday July 19 from 7pm to 11:59pm and very early overnight hours of Saturday July 20 from 12am to 2:30am or later.

Please try to depart during these time!

Feel free to contact us if you have any questions or need some clarification.

In the spirit of adventure,
The Tech Treks Team
